

LEVEL 6

CERTIFICATE IN FIRE SAFETY FOR CONSTRUCTION

LEVEL 6 CERTIFICATE IN FIRE SAFETY FOR CONSTRUCTION

OVERVIEW

The Certificate in Fire Safety for Construction course is aimed at improving fire safety awareness for managers in building safety, construction and facilities. You will learn about current and future legislation, building design and building construction, fire risk assessments, fire science and human behaviour and most importantly, how to manage and implement fire risk management systems.

CONTENTS

The course is divided into two units:

- ➔ **Unit 1** – Legislation, Regulation and Enforcement and how fires perform in certain types of buildings
- ➔ **Unit 2** – Principles of Fire Risk Assessment, Principles of Fire Risk Management, Fire Science and Human Behaviour

ASSESSMENT

Assessments are by scenario-based assignments, which are completed as the course progresses, with candidates getting regular one to one feedback from our tutors.

CERTIFICATES

Upon successful completion of the programme candidates will be awarded a **CIOB Level 6 Certificate in Fire Safety for Construction**.

DURATION

The course will be delivered via weekly live online webinars (approximately two hours per week) over a period of approximately **13 weeks**. The webinars will also be recorded so that any missed sessions can be watched back delivered as two 2hr sessions.

PRICE

£950

+VAT PER CANDIDATE

PLUS A CIOB CANDIDATE REGISTRATION FEE OF £103

TUTORS

Brad Walker

FCIOB FCABE EngTech AIFireE

A Fellow of CIOB Member of the Engineering Council and Institute of Fire Engineers, Brad has various qualifications in Fire Safety, Fire Investigation and Management. As a Fire Safety Consultant, he has advised on Fire Strategies for several housing organisations as well as developing and delivering fire safety training.

Pete Ashby

LLB (hons) MIFireE

Pete retired in May 2021 from Lancashire Fire & Rescue Service, after serving with them for over 29 years. In 2009 he transferred from the operational crews to the Fire Safety department as an Enforcement Officer, before being promoted to Team Leader and then Area Fire Safety Manager for the Pennine Area of Lancashire. His final 6 years were spent as a Station Commander and was in charge of numerous stations throughout Lancashire.

Dez Rigg

Eng Tech FiFireE

Dez served over 30 years with Lancashire Fire & Rescue Service and lead the review team for the implementation of Fire Safety Order. Dez returned as a non-uniformed officer and was utilised to produce statistical information to inform the review of fire safety function throughout LFERS. He developed the regional fire safety training foundation course with other regional Fire & Rescue Services and liaised with the 14 Building Control bodies in Lancashire.
