CERTIFICATE IN BUILDING SAFETY MANAGEMENT

WHO IS IT FOR

Housing, construction and property practitioners who are currently working or considering working in the Building Safety Environment.

THERE ARE 3 UNITS:

Unit 1 Fire Safety

1. Legislation, regulation & enforcement
2. Building construction
3. Fire risk assessment
4. Fire Science

Unit 2 Building Management Safety

1. Building Safety Management
2. Risk Management and Golden Thread
3. The Safety Management System and Resident Engagement
4. The Safety Case

Unit 3 The Built Environment

1. Structures
2. Services
3. Operations
4. Contract Management

Some self-guided study will be required.

DURATION

Each Unit is delivered via a weekly two-hour live webinar, over a period of four weeks. All webinars are recorded enabling candidates to watch back at their convenience.

There is a live tutorial a week after each until with an opportunity to ask questions and seek further guidance on the assessment.

ASSESSMENT

There are no examinations as performance is assessed by continual assessment via regular tasks.

PLUS A CIOB CANDIDATE REGISTRATION FEE OF £103

PRICE
£799
+VAT PER CANDIDATE

TUTORS

Roger Gillespie

FCIOB, CEnv, BSc (Hons), TechIOSH

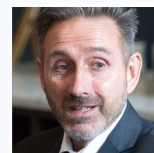

A Fellow of CIOB from a construction and training background, Roger is an experienced training and construction consultant working throughout the UK and Ireland in both private and public sectors.

Brad Walker

FCABE FCIOB, EngTech, AIFireE

Member of the Engineering Council and Institute of Fire Engineers, Brad has various qualifications in Fire Safety, Fire Investigation and Management. As a Fire Safety Consultant, he has advised on Fire Strategies for several housing organisations as well as developing and delivering fire safety training.

Brent O'Halloran

MCIQB MBA, Director, O'Halloran Consultants Ltd

Brent is an advocate for improving the sector's approach to building safety and asset management. With a reputation for being a contrarian and challenging convention; he's the architect behind many big ideas, and is currently working with Clarion on developing their building safety offer.
