CIOB LEVEL 6 DIPLOMA IN BUILDING SAFETY MANAGEMENT

MAIN LECTURERS

Brent O'Halloran

MCIQB MBA

A Chartered Builder and Director of his own consultancy, Brent has worked at senior level in the social housing sector for over 25 years. He has long been an advocate for improving the sector's approach to building safety and has worked with some of the largest housing organisations developing their asset management and building safety strategies.

Graham Oliphant

BA (Hons) CFPA E Dip-TC DipFD MFireE MIFSM MIIRSM MIFPO M.ISRM AIEMA

Director of Fire for the Bellrock Group, specialising in High Rise Building Safety Case solutions. After a 14-year career in the Fire Service with the LFB, Graham managed teams of Risk Assessors in a post-Grenfell climate. He then joined a large Managing Agent and set up and led their Building Safety Team, with oversight of 3000 buildings and 152 HRBs, to navigate the new legislation landscape of the Building Safety Act.

EXPERT PANEL OF GUEST SPEAKERS

Tony McMahon

Housing and Building
Safety Practitioner

Anthony, a Fellow of the CIH (FCIH) and Chartered Member of the CIOB (MCIQB), is an Oxford and Salford University alumnus with over 30 years of experience in housing. He has held Director roles in Housing and Asset Management. Following the Grenfell tragedy, Anthony supported key housing providers in implementing crucial building safety reforms and is recognized as a determined leader in Building and Fire Safety.

Dez Rigg

Eng Tech FFireE

Dez served over 30 years with Lancashire Fire & Rescue Service and lead the review team for the implementation of Fire Safety Order. Dez returned as a non-uniformed officer and was utilised to produce statistical information to inform the review of fire safety function throughout LFRS. He developed the regional fire safety training foundation course with other regional Fire & Rescue Services and liaised with the 14 Building Control bodies in Lancashire.

Anna O'Halloran

MSc, CIHCM, Director,
O'Halloran Consultants Ltd

Anna has worked in Social Housing since 1984, including time working for three HAs and four LAs. Since 2002 Anna been working to support organisations to improve – across a range of services, but with the key imperative of ensuring that tenants' experiences influence services. She has worked as Head of Consultancy for Tpas, as Housing Inspector at the Audit Commission, as Director of Consultancy at CIH and at Capita. She has run her own business for many years.

Richard Medley

BSC (HONS) MRICS CIHCM

Richard is Founder & Director of Housing Dynamics. He leads on the development, production and review of asset management strategies.

Previously, Richard was Director of Assets & Neighbourhoods at the Chartered Institute of Housing's consultancy, where he produced the CIH's publications Redefining Asset Management and Rethinking Repairs. He maintains strong links with CIH chairing events and professional practice groups and is the author of CIH qualifications in repairs and maintenance.

Kevin Dawson

Public Safety Advisor

He started his career at Boston Borough Council, initially as a Trainee Building Control Officer and progressing to becoming a fully qualified surveyor. Kevin has delivered training on Building Control legislation and standards and has recently undertaken work, on behalf of an international banking group Building Control system in Egypt. Kevin became a Director at LABC and held the position of President of LABC between 2005-2006. In 2013 Kevin became a Director of the Building Control Alliance and since 2011 has represented both LABC and CIOB on the Consortium of European Building Control (CEBC).

Lorna Hagan

Lead Tutor & Civil Engineer

Lorna is a Civil Engineer and Chartered Quality Practitioner with 19 years experience of site engineering and quality management systems within the construction industry. She is a ISO9001 Lead Auditor and previously worked as Head of Quality managing a £230million annual turnover portfolio of Civil Engineering Projects. She is a qualified Education and Training Instructor.
